Career Summary:	<p>Graduated UCF (University of Central Florida) in 1984 with a BS in Chemistry and Minor in Biology. I am certified as a 17025 Lead assessor. First job out of college in 1984 was at Bionomics laboratory where I worked in Wet Chemistry, microbiology, metals, and organics department using IC, AA, GFAA, and GCs. In 1987, I became Lab Manager of the Orlando facility. In 1990, I became VP of operations overseeing labs in Orlando, FL, Atlanta, GA, Richmond VA, and Columbia, SC. During the time frame 1997 – Sep. 2010, I served as Senior Chemist on numerous emergency responses in Region 2,3,4,5, and 6. Through various mergers and acquisitions, I have been with AECOM for 23 years in which my present role is Manager of Data Management, QA/QC Manager, and Senior Chemist.</p>
GA-AHMP Involvement:	<p>I joined the GA-AHMP Chapter in 2006 and currently serve on the board as the Treasurer. My involvement with the GA chapter has broadened my network of fellow professional and has provided me with the opportunity to work and socialize with outstanding professionals within our own community. I attended the 2005 and 2010 National Conferences.</p>

Hobbies/Other Interests:	In my spare time, I am restoring my 1976 BMW R75/6 and riding my 2002 Harley Davidson Heritage Classic. I have been performing volunteer work for the Pediatric Brain Tumor Foundation Ride for the past seven years and have been giving platelets on a monthly basis for the past 8 years. For those that do not know platelets only have a shelf life of five days. Platelets are depleted when a person undergoes Chemotherapy.
