

GEORGIA CHAPTER - MEMBER SPOTLIGHT

Name:	Dale Carpenter	
Company:	A&D Environmental Services 4943 Austin Park Avenue Buford, GA 30518	
Work Phone:	678-714-8420	
Work Email:	dcarpenter@adenviro.com	
Career Summary:	<p>My career started out in the Heavy and Highway construction industry working my way up through the ranks from equipment operator to equipment superintendant and eventually into project management.</p> <p>My involvement in the environmental industry began in 1988 when I accepted employment with Westinghouse/Haztech as a facilities manager. The Company went through several mergers and acquisitions; eventually evolving into what is now WRS/Compass.</p> <p>During my tenure at WRS I was mainly involved with project /program management, functioning as project manager on large remediation projects and as program manager for the USEPA Region IV ERRS contract. Additionally during this time period, I attended Mercer University and completed my undergraduate degree in Business Administration in 1996.</p> <p>In 2004, I started my own consulting firm. I worked on several project s with Greenleaf Environmental Group and in 2005 I became a principal with Greenleaf Environmental Services. In April 2011, Greenleaf was acquired by A&D Environmental and I am currently acting as a Senior Project Manager. My current duties include project management, project estimation and scheduling.</p>	

GA-AHMP Involvement:	I became a member of the GA chapter in 2004. I have tried to attend as many of the chapter meetings as my work schedule will allow. I currently serve on the Scholarship Committee. I have attended several of the national conferences and look forward to a more active involvement with the local Chapter.
Hobbies/Other Interests:	During my free time I enjoy woodworking, particularly the restoration of antiques clocks, working on the restoration of my 1956 Chevrolet Pickup and spending time with my 4, soon to be 5, grandchildren.
